Upon entering, guests are greeted by an impressive fish counter, showcasing the freshest catch of the day.

Diners can select their preferred seafood, which becomes the centrepiece of a personally tailored menu.

Fin to Gill

Inspired by the daily catch and the ‘use-all, waste-not’ philosophy, the menus utilize every part of the fish, ensuring that nothing goes to waste and every dish bursts with flavour.

Part of the fillets are used for raw and cooked preparations, the head, collars and fish chops are grilled, while the bones are used to create flavourful broths.

The menus at Kima are thoughtfully crafted using the finest ingredients, sourced both locally and from Greece, with a strong focus on sustainability and premium quality.
